

# Getting Ready for School – Top Tips!

It's really important to be prepared for the day ahead so that you are organised and pack everything you need. This means that you can get the most out of your lessons and that you don't miss out on any clubs and activities. Here are some useful tips that we know will make a big difference to your daily routines...

1

Always **pack your bag the night before**.  
It's never good to rush it in the morning!

2

Check your **planner** to see if you have any homework due – and use our tips on **Learning at Home**

3

Now use your **planner** to check your timetable for tomorrow so you pack the correct **books** and everything else you need, such as your **PE kit**

4

Check your **pencil case** to make sure you have all your equipment for the next day

5

It's really useful to **get someone at home to help you** especially in the first few weeks while you are getting into a good routine.
