

Quick Start – Student Guide

Get Going on **GCSE Pod**

Below are steps on your computer – but please also get the GCSE Pod app on your phone!

1 Open Chrome and go to GCSE Pod

2 Click this button to login

3 Click this button to sign in with Office 365.

This makes it a LOT faster!

4 Enter your school **email**:

- **17fred.bloggs@qes.org.uk**
- **17fred.bloggs@qestudio.org.uk**

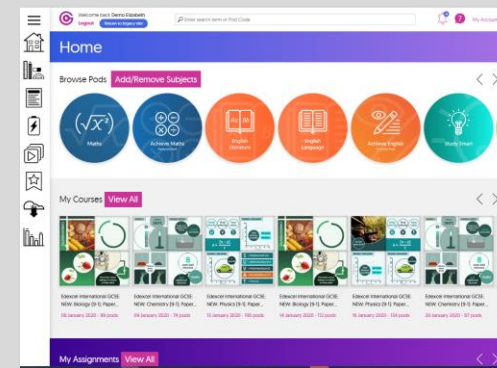

If it asks, use your 'normal' school password.

5 You will now see your GCSE Pod 'Home' screen

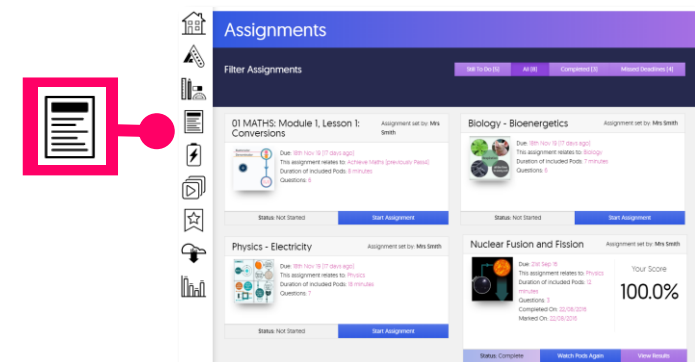

Next step is to spend a few minutes finding your subjects and maybe playing a few of the short video clips called 'pods'.

For more info on GCSE Pod, [click here](#).

6 Final feature to explore is **Assignments**.

- These are the **homeworks** that staff will have mentioned in the **Weekly Outline**.
- To access Assignments, just click this icon on the left of the screen.
- Just click the blue button to **Start Assignment**

Quick reminder... please also [get the GCSE Pod app on your phone!](#)
