

## Quick Start – Student Guide

Finding Work on **Teams****Channels**

Look on the left of your Teams screen to see your **channels** for different topics or units

**Posts**

Teachers will **post guidance** on work – check your General channel first

**Files/Pages**

For **materials** from teachers, look at the top of your screen for links to **Files** or **Pages**

**Assignments**

If you have any **Assignments** or homeworks, click the **General** channel & the link is along the top
