

Design & Technology and Textiles

Curriculum Intent Statement

“There are three responses to a piece of design - Yes, no, and wow! Wow is the one to aim for”

Milton Glasser

The D&T and Textiles department in the Lunesdale Learning Trust is a place where everyone can progress and succeed, where students have the confidence to meet challenges head on and to learn from their mistakes. It is a place where excellence is celebrated, hard work is commended and where pride is taken in professional and innovative outcomes.

By responding to challenging briefs in a supportive and safe environment all learners will develop skills and knowledge relevant to our modern society that will allow them to achieve, contribute and move on with confidence.
