

# Years 7, 8 and 9

**Wednesday 5 July will be a home study day for all pupils in Years 7, 8 & 9.**

- 1. Ensure any class- or homework that you've been set is completed.** Some teachers will have set work for the day already and you must also remember to check your school email and class TEAMS on the day.
- 2. You may have a live lesson: check your email and Teams calendar.**
- 3. Once you've done all the work that has been set for you, choose tasks from the following:**
  - Spend time reading your current reading book (fiction or non-fiction)
  - Spend time consolidating or deepening your knowledge on the subject's online learning platform such as My Maths (<https://login.mymaths.co.uk/login>), Quizlet (<https://quizlet.com/en-gb>), KS3 bitesize (<https://www.bbc.co.uk/bitesize/levels/z4kw2hv>), languagenut (<https://www.languagenut.com>), and Teams.
  - Do some coding (<https://hourofcode.com/uk/learn>)
  - Do some active reviewing, for example make a flipper or test and teach cards for a recent topic :<https://sway.office.com/hyykClxID4UzFjzl>.
  - You could also go back over some of the lessons you have done in PD. ([KS3](#))
