

Year 10

Wednesday 5 July will be a home study day for all pupils in Year 10. Plan your independent study using the guidance below:

1. **Ensure any class- or homework that you've been set is completed.** Some of your teachers will have set work for today already and you must also remember to check your school email and class TEAMS on the day.
2. **You may have a live lesson: check your email and Teams calendar.**
3. **Revise and consolidate work you have done this year.**
 - There are lots of revision resources on the school website (<https://qes.org.uk/exams/>).
 - Complete some GCSE practice tasks on GCSE pod (<https://members.gcsepod.com/login>)
 - Spend time consolidating and deepening your knowledge using our online learning platforms such as Maths Watch (<https://vle.mathswatch.co.uk/vle/>), Languageut (<https://www.languageut.com/resources/#/LoginScreen>), Quizlet (<https://quizlet.com/en-gb>) and Teams
 - KS4 Bitesize also has lots of revision resources and practice tasks - <https://www.bbc.co.uk/bitesize/levels/z98jimp3>
 - Seneca also has some interactive revision resources: www.senecalearning.com
